

Fact Sheet

Residential Bin Hire

If you are considering our Short Term Residential Bin Hire Service from Bristol Waste Company, please take note of the following information:

Please do:

- Store the waste disposal bin on your private property on a level surface. This does not include a pavement, highway or grass
- Wear gloves and thoroughly wash your hands with soap and water, as advised by Public Health England, before and after using the waste disposal bin
- Ensure the wheels remain locked when stationary and unattended
- Refer to our general Terms & Conditions at: www.bristolwastecompany.co.uk/terms-and-conditions/

Please don't:

- Overfill the bin – The lid must close on collection
- Fill it with overly heavy material. We need to be able to move the bin safely and efficiently on collection.

The following details what can and can't be put in the bin for **Safe Transportation, Reuse, Recycling** and **Energy Recovery** reasons:
