SCHOOLS

MEET THE ZERO WASTERS

A mean-green-litter-picking-machine, a recycling blob, an egg-head genius & her side-kick... oh and a bunch of methane-bottom-burping-micro-bugs – they're here to help you waste nothing!

HEY!

Your school is taking part in a **Waste Nothing Challenge!** By reducing our waste we can make Bristol a nicer place to live.

HOW IT WORKS:

- Take this book home and complete the five missions
- Get a special Zero-Waster badge for each mission
- Collect all 5 badges to complete the challenge, good luck!

Are you ready to take the challenge?
Let's get started...

Don't forget to write or draw what you've done on each mission!

MISSION 1: REDUCE

SET BY PRO-ZERO

YOUR MISSION:

Enjoy a plastic free lunch.

HOW?

Next time you have a packed lunch or snack box, try to use foods with as little plastic packaging as possible. What plastic free alternatives will you discover?

To earn your **BADGE** draw what you packed in your lunch/snack box.

Hey! I'm Pro-Zero, one thing I love to do is make my own popcorn instead of having a bag of crisps – yummy!

FACT
Pro-Zero is the leader of the Zero-Wasters, and she hates single use plastic!

Get more lunch box ideas at: bristolwastecompany.co.uk/schools

MISSION 2: REUSE

SET BY SPARKY

IMPORTANT: make sure anything you reuse is clean and ask for help if there are any sharp edges.

YOUR MISSION:

Get creative and reuse stuff.

HOW?

Think crafty and make something spectacular out of your waste or recycling.

To earn your **BADGE** write about or draw what you made!

FACT

Sparky reduces waste with super cool inventions – she lights up every time she has a reuse idea!

Why not make your bedroom look super cool with baked bean can pen pots or try making a plant pot out of an old welly!
More cool ideas on - bristolwastecompany.co.uk/schools

MISSION 3: RECYCLE!

SET BY CHOMP

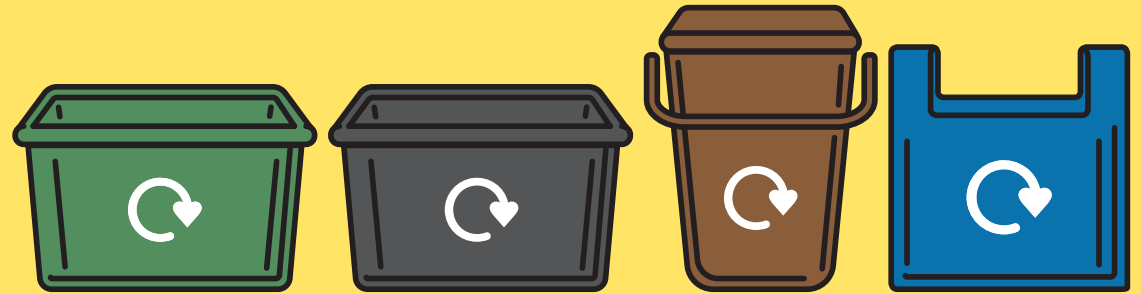

YOUR MISSION:

Get it sorted!

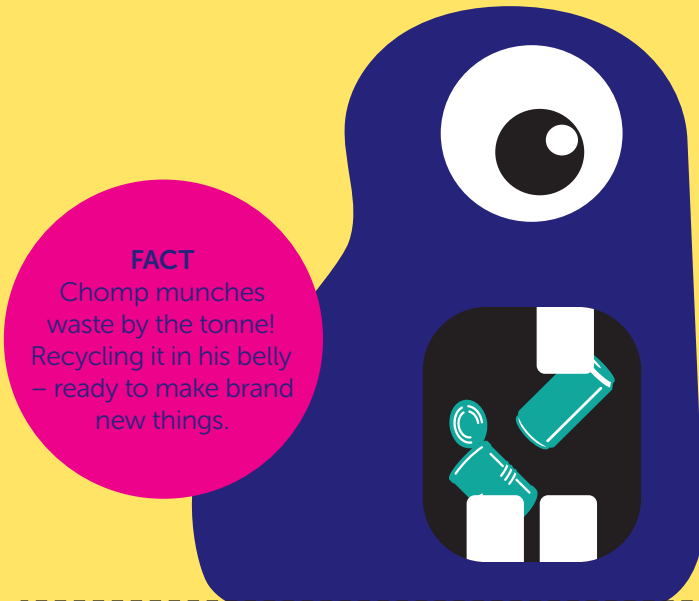

HOW?

Show us that you're the recycling boss in your house. Draw a line from each item to the box, bag or bin it should be put in – the apple core has been done for you.

If you have containers and blue bag at home, link pics to these boxes

If you have communal recycling bins at home, link pics to these bins

FACT

Chomp munches waste by the tonne! Recycling it in his belly – ready to make brand new things.

What's the thing you recycle most?

It really helps our recycling crew when things are in the right boxes, find out what goes where:

MISSION 4: SLIM YOUR FOOD WASTE

SET BY THE METHANOGENS

YOUR MISSION:

Waste less food!

HOW?

To stop food from getting stinky, and uneatable make sure you store it properly.

To earn your **BADGE** complete the table by telling us how to store the food!

FACT
Methanogens are tiny bugs that recycle leftover food, and pump methane gas to make green power!

For a bit of help with the answers checkout this cool website!

Potatoes	
Milk	
Bread	
Eggs	

MISSION 5: PICK IT UP!

SET BY PICKATRON

YOUR MISSION:

Keep Bristol Tidy!

HOW?

Complete at least two tasks and help keep Bristol clean & green.

FACT
Pickatron has built-in litter grabbing arms – don't worry if you don't, you can always borrow a litter picker!

Hey, I'm Pickatron and I work hard to keep Bristol tidy, but I need your help!

To earn your **BADGE** tick off at least 2 tasks.

IMPORTANT: stay safe, don't touch litter with your hands.*

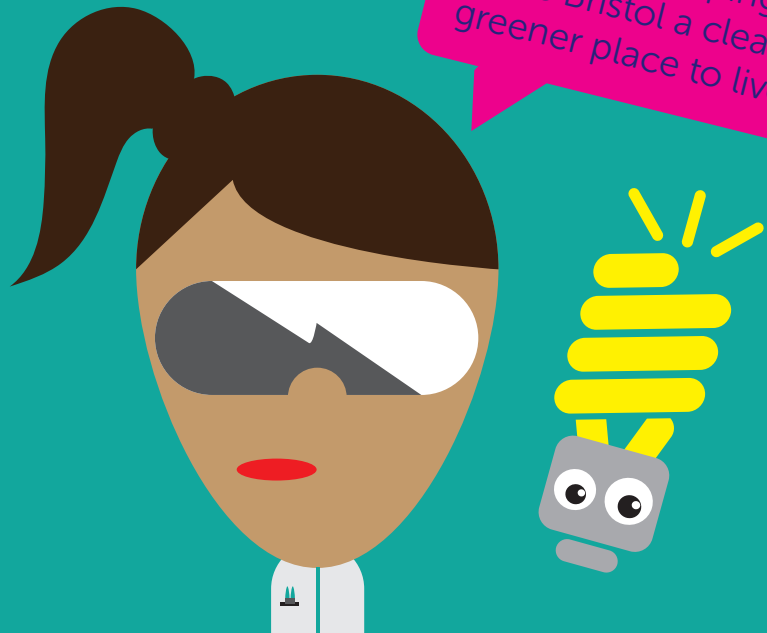

Pledge to litter pick when it is safe to do so.	
Put rubbish in a street bin when out and about.	
Take your waste home to bin or recycle.	
Talk to friends or family about not dropping litter.	
Pledge to never place rubbish next to a full street bin.	

*For more information on borrowing litter picking equipment from Bristol Waste visit: www.bristolwastecompany.co.uk/schools

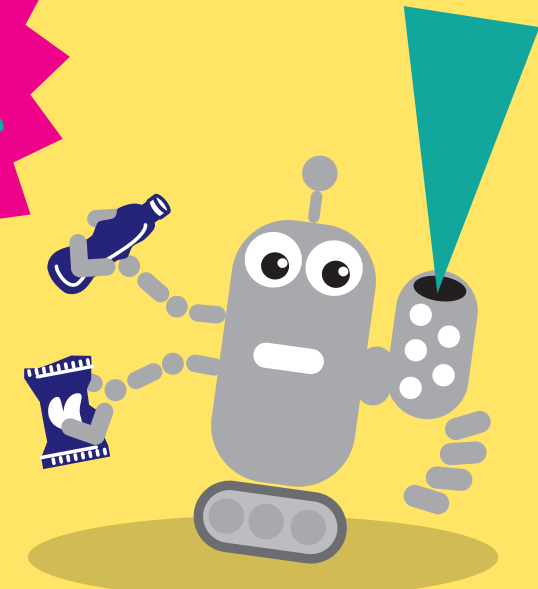

CHALLENGE COMPLETED!

Congratulations, you've completed all five missions and you're officially a ZERO-WASTER. Don't forget to hand your booklet into your teacher and keep up the great work!

YOU'RE AMAZING!
Thanks for helping us make Bristol a cleaner greener place to live!

OFFICIAL ZERO-WASTER!

BRISTOL waste

HEY GROWN UPS!

The #wastenothing schools challenge is a great way for children to understand how they can help to reduce waste and create a cleaner Bristol!

#WASTENOTHING SCHOOLS

WHY TAKE PART...

- Everyone else is doing it!
- Young people get to learn new skills
- Understand how to reduce your waste as a household
- Fun way to learn what you can recycle
- Help the environment

GET INVOLVED...

Follow us on social media – share your challenges and get tips and challenge updates. **#wastenothing**
