Your responsibility

It is your responsibility to comply with all parts of the ABPs Regulations relevant to your business. The necessary background information, and further navigation to pages relevant to your business, can be found at - <https://www.gov.uk/government/collections/guidance-for-the-animal-by-product-industry>.

APHA Address

Completed and signed forms should be submitted to:

ABP Team, APHA Customer Service Centre, County Hall, Spetchley Road, Worcester, WR5 2NP, or by email to: CSCOneHealthABP@apha.gov.uk

You are advised that conventional email is unencrypted and therefore sensitive information should not be transferred.

Guidance notes on the need to complete this form

The following operations are not required to register:

- establishments already approved or registered under Regulation (EC) No. 852/2004 or Regulation (EC) No. 853/2004
- activities involving the generation of animal by-products on site only, which are carried out on farm or other premises where animals are kept, bred or taken care of
- establishments or plants that require approval under Article 24 of Regulation (EC) No. 1069/2009 or any activity associated with that establishment e.g. transport of ABPs. These operations including rendering, incineration, combustion, pet food plants, manufacturers of organic fertilisers and soil improvers, compost and biogas plants, plants handling and storing animal by-products or products derived from animal by-products must apply for approval. Application forms are available on GOV.UK
- if you would like advice about completing this form please contact your local APHA office.

What happens next:

1. This form will be returned to you stamped by the issuing office as proof of your registration by APHA.
2. The official use boxes relating to the activities that do not apply to your plant will be crossed through by the issuing office.
3. Information relating to your operation will have been or may be included in the published list of Animal By-Products Registered premises and made available to your Local Authority and Environment Agency.
4. Changes to the ownership, address or operation of a registered premises must be notified in writing to APHA at the above address.
