- Please put your bins and boxes out by 6am on your collection day and remember to bring them in as soon as possible after they have been collected.
- Your wheelie bin must close, otherwise we cannot collect it. We do not collect waste left next to bins.

Key dates for the festive season

We collect on every bank holiday throughout the year, except for 25 and 26 December and 1 January.

Please consult the calendar for your revised collection days in December and January. Garden waste and bulky waste collection services will be suspended after Friday 22 December and will resume Monday 22 January.

Our recycling centres are open all year round, including bank holidays, except for 25 and 26 December and 1 January. Visit www.bristol.gov.uk/bookrecycling to book and visit the recycling centre.

In severe weather our crews work hard to maintain usual services, though sometimes delays will happen when roads are icy and driving conditions hazardous. In instances of severe weather, please check our website and social media for updates.

Recycling your festive goods

Christmas trees will be collected for free. Check your calendar for the  symbol. Trees must be no taller than 2m in length. Real trees can also be brought to your local recycling centres.

Please sort your boxes. Extra recycling or waste can be brought to the local recycling centres. Remember to book before your visit.

We can recycle holiday cards without glitter. Please put them in your blue bag with any cardboard.

Please remove tape and flatten and fold your cardboard so it fits inside your blue bag.

Sorry, we are unable to recycle wrapping paper due to the grade of paper. Please place in your wheelie bin.

Use your brown caddy for any food leftovers and help generate energy for Bristol. Visit our website to learn what can be recycled as food waste.

Batteries and fairy lights can be recycled in your black box. Place them in a small, untied bag inside the box.
